Turn Clocks Back!!

Daylight Saving

Time Ends!

Turn clocks back on

November 5th at

2:00 a.m.

(Sprinklers will then
be set for ONCE per
week!)

(ODDS on Saturday,
EVENS on Sunday)

GARBAGE CAN REMINDERS!

Garbage cans are to be stored so that they are not seen from the street! Behind a fence...or a lattice shield...or nice shrubs.

Recycle and Yard Waste are Monday...Trash on Friday. Cans are to be placed on the curb by 6 a.m. of the pick-up day...and returned to their storage place at the end of the day...not to stay at the curb!

The lid **MUST** be closed or the truck may not pick up the can! (The reason is because the trash can fly out of the can if the lid is not shut!)

(Check 311 or the OCFL website for how to prepare yard waste—bundled or bagged.)

NOTE: Parking on our streets is allowed...

We ask that you be considerate of your neighbors!

Do not park on any portion of your or your neighbor's lawn...

Do not block driveways or sidewalks...

Do not park in front of the playground...

NOTE: Can an ambulance or garbage truck get through your street??

BE AWARE!

HOA ANNUAL MEETING

Do you know how your annual assessment is used? Come find out at the annual meeting!!
